1. Aims

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every student has access to the education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure students have the support in place to attend school

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

Part 6 of [The Education Act 1996](#)

Part 3 of [The Education Act 2002](#)

Part 7 of [The Education and Inspections Act 2006](#)

[The Education \(Student Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)

[The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual students
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary

3.3 The designated senior leader responsible for attendance

- Evaluating and monitoring expectations and processes
- Having an oversight of data analysis
- Devising specific strategies to address areas of poor attendance identified through data
- Arranging calls and meetings with parents to discuss attendance issues

Helen Welsh and can be contacted via hwelsh@brentwood.trafford.sch.uk.

3.5 Class teachers

Class teachers are responsible for recording attendance on a daily basis, by 9.30am and 2pm using Arbor.

3.6 School office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on Arbor
- Ensure accurate daily recording is complete on Arbor
- Refer any safeguarding concerns linked to attendance to Senior Leaders/Attendance Officer

3.7 Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 8.50am on the day of the absence, and advise when they are expected to return
- Provide the school with more than one emergency contact number for their child

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all students onto this register.

We will take our attendance register by 9.30 and 2pm daily.

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

4.2 Planned absence

Attending a medical or dental appointment will be counted as authorised

The student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence, using a Request Form or by sending a request on Class Dojo.

4.3 Following up unexplained absence

Where any student we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the student's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the student's emergency contacts, the school may contact social care (if the student is known to social care) or the police.
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving social care.

4.6 Reporting to parents/carers

The school will inform parents about their child's attendance and absence levels on an annual basis, unless there are concerns with regard to the student's level of attendance. Under these circumstances the attendance officer will communicate with parents/carers on a regular basis, at least every half term, to offer strategies to support the student into school.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a student during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the student is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances, needs of the student and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments

- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student/student's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller students travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the student is attending educational provision.

5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded student is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Attendance monitoring

6.1 Monitoring attendance

The School will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual student level
- Student-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The School will share attendance data with the governing board.

6.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify students that need additional support with their attendance, and use this analysis to provide targeted support to these students and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

6.3 Reducing persistent and severe absence

Nationally, persistent absence is considered to be where a student misses 10% or more of school, and severe absence is where a student misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of students who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school

- Provide access to wider support services to remove the barriers to attendance

Staff will work closely with parents/carers to support students to attend school regularly. When analysing attendance data, consideration will be given to attendance levels for students who have complex health needs which may limit their attendance at school.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by the Headteacher and Attendance Officer. At every review, the policy will be approved by the full governing board.
